

My name is, RAVAOMAMPIONONA **Marie Angéline**. I am 54 years old and I have been a religious for 28 years. For 5 years now, I have been Novice Mistress in the Nkongsamba Community (Cameroon).

My pleasure is to see the young Novices growing day by day to know Christ, and to be aware that our Region accepts responsibilities in the life of our Congregation. Every member brings new gift : cultures, talents...

As Novice Mistress, my concern is to ensure that the Formation of our young is adapted to world needs and today's questions. The witness of our religious life stems primarily from our relationships in community and in our involvement in the Church, in parish life, in Society, in our areas and our town. More and more, I am learning to see the whole world as a « village », being aware of all that is happening in the world by using media and improving our knowledge through computer and Internet.

I am greatly supported in this Mission by collaboration with other formation personnell in the diocese. Three times each year we gather with our Novices for Inter- novitiate sessions and I feel sure that we, Novice Mistresses and Masters learn as much as our Novices from these meetings. Each year a Conference is organised for the Novice Mistresses and Masters of Cameroon. This is a time for reflection on the questions we bring : « when two or three are gathered in my name, there I am in the midst of them. » Together we are Church and we prepare the Church of tomorrow !
