.... 'The taste of Others' !

**A great experience for Sr Lucie from Madagascar and for the young pupils
of the School Arc-en-Ciel !**

To participate in the 'Week of the Taste', all the pupils of the School cooked on the theme of Africa, theme chosen because of the presence of Sr Lucie, teacher in a first grade classroom in Madagascar. Sr Lucie, a young Sister of Christ, arrived in Retournac in September 2018. She comes every Tuesday in the first and second grade classrooms to have an international experience in her 'training path'. She cooked and prepared peanut-based sweets with the children to make all the pupils in the school taste them.
