

SISTERS OF CHRIST CHILE

We had a very interesting day in the month of October 2019, on the Apostolic Exhortation "Christus Vivit" published by Pope Francis, a document that emerged after the Synod of Bishops on Youth. Pope Francis signed the Post-Synodal Apostolic Exhortation on March 25, 2019.

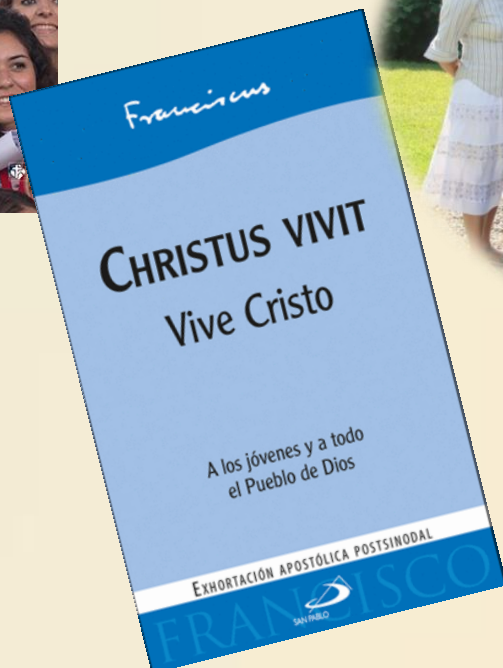

In drawing up this document, he drew inspiration from the themes, debates and conclusions of the Synod of Bishops that met in Rome from 3-28 October 2018 on the theme "Youth, Faith and Vocational Discernment".

For the presentation of this document, each community prepared 3 chapters of "Christus Vivit". We admired the creativity of the Sisters, which allowed us to have a global vision of the Exhortation.

This presentation allowed us to reflect on our roots. And to ask ourselves how to work with the young people without forgetting the elderly.

This is a challenge for our mission and for our Church today.

We ended with a fraternal sharing

To finish the year 2019, each group of associates celebrated Christmas :
These meetings were beautiful moments of prayer and sharing.
